

NIDER

Budget Priced Value Engineered Machinery

NIDER - Provides a low-priced range of machinery to compliment our well-known Swedish manufactured - ARBOGA brand.

All NIDER machines have been sourced from reputable far-eastern manufacturers, and upon arrival at our Swedish factory, are submitted to rigorous testing procedures, and electrics up-rated to meet our exacting requirements.

NIDER products are covered by a 12 month parts warranty, with spare parts freely available from our stocks in Sweden

NIDER represents an alternative value for money solution, where budgets are restricted and a low-cost replacement is sought.

NIDER NI 20 VE

Fully equipped sturdy drilling machine, ideal for light-duty production, maintenance or education. Easy to operate, meeting the requirements of the latest CE directive, with drill guard, emergency stop and T.O.N.V.R starter.

Standard features include:
